Policy involves these rules, systems:
- RDA
- SALSA
- Polaris
- OCLC
- CONTENTdm

Policy involves these records:
- Bib
- Auth
- Item
- Serial holdings/pub pattern
- Check-in/Issues
- Cdm

History:
- Letter to State Auditor no longer needed; print volumes are inventory exempt.

Policy addresses these problems, needs:
- Proper procedures for surpling state property. How to process withdrawals, how to arrange recycling.
  - This policy doesn't apply to state or federal publications. The Documents Librarian follows a needs-and-wants routine. However, the Documents Librarian must coordinate with the Dewey Cataloger so that the related records are removed from Polaris/symbols removed from WorldCat.

Policy/Procedure:
- If NMSL is withdrawing the last copy of title then delete item and bib recs from ILS (Polaris) and our symbol from WorldCat (OCLC). If other SALSA libs still hold copies then delete our item recs from ILS (Polaris) and our symbol from WorldCat (OCLC).
- After appropriate Polaris/WorldCat work, periodical and newspaper issues can be recycled directly and microforms and AV media can be thrown away.
- List print volumes on spreadsheet
- Apply withdrawn stamp to each volume
- Box up volumes
- Complete Request for Disposition; get records liaison signature; submit to RMD (SRCA Records Management Division)
- When RMD is ready deliver boxes to them.
