NEW MEXICO STATE LIBRARY

BOOKS BY MAIL

RURAL SERVICES

We are now offering our Books By Mail patrons **Gale Group InfoTrac Resources!** In an effort to bring electronic information resources to as many New Mexicans as possible, the New Mexico State Library is providing databases of magazines and journals to libraries and patrons via the Internet. The New Mexico State Library has chosen InfoTrac, a highly regarded resource of content-rich authoritative information through the Internet. The InfoTrac databases contain over 4,277 magazines and journals, 2,969 of them with full-text and full-image with the remainder offering abstracts to the articles. InfoTrac is a product of Gale Group, a major vendor of library magazine and journal subscriptions to libraries.

Access to the databases is controlled through specific usernames and passwords which are established for constituent libraries and patrons throughout New Mexico. Each library is authorized to provide these usernames and passwords to its clients, students or patrons, thus giving access to any New Mexico citizen with Internet access.

The Gale logon screen for NMSL Direct and Rural Services patrons is <http://infotrac.galegroup.com/itweb/nmlibdrsb> (The password is: cactus)

Copyright requirements are covered by the arrangements that the Gale Group makes with the journals and magazines it includes in the databases.

* HIGH DEMAND TITLES !!!

Some delays in filling orders are unavoidable when a new catalog or supplement is sent out to several hundred households, so if a book is not available at the time of your request, it will be put on reserve and mailed to you when it becomes available. You will not need to reorder the book(s). Reordering the book(s) will only delay orders that much longer. We appreciate your patience.

SPANISH BOOKS

Books in Spanish are available for children and adults. Some editions are bilingual.

LARGE PRINT BOOKS

When ordering titles with the prefix "LP" (Large Print) please specify that you only want the titles in Large Print, otherwise, if the title is available in regular print, it will be substituted, and if it is not, we will send you the "LP" title. We hope this will minimize the waiting time on high demand titles and also save the Large Print for patrons who can only read Large Print, which is a smaller collection. Thank You.

BOOKS-BY-MAIL provides library services to those who are not reached by public libraries. Call our toll free number 1-800-395-9144 and leave your requests on the 24 hour recording. Give us your name, mailing address, the catalog numbers of the books you wish to read. If calling to renew a book, give us the same information mentioned above along with the original due date of your book(s).

1. If you have several mailing bags with only a few books in each, coming back to us, you can put all books and any extra bags into the bigger bag and mail to us. This will save on postage.
2. Please put your name on the white order sheets when sending them back to us with your books. These sheets can get mixed up with other orders when we are emptying bags and if there is no name it is hard to match up the order with the books. If there is a name on it, you are sure to get your order.
3. We no longer have the mailing permit for the yellow order cards so they will not go through the USPS if you send it alone. If you have any yellow cards left over, you can still use them, just enclose them in the canvas bags with your books.
4. If you have not yet returned your updated registration form, please call us to fill one out by phone. Once we are up and running with the new system, those of you who did not update a form will not receive a catalog until we have one on file.

***PLEASE NOTE:** Catalogs from **SPRING 2003 (AE)** to **the present** are still available to order from.

If you would rather receive our quarterly catalog by email **ONLY** through a Word attachment or would rather access it online, please call us toll free at **1-800-395-9144** and let us know. Thank you for using Books by Mail.
