

# New Mexico State Library YOUTH SERVICES WORKSHOPS with Explora

*Provided free for public library staff*

ADVENTURE  
— BEGINS AT —  
YOUR LIBRARY™

## **First Session:**

**Kelly McCabe, Youth Services Coordinator, NMSL** will present on Summer Reading 2024, *Adventure Begins at Your Library*, and other Youth Services Resources available from NMSL. There will be opportunity to share ideas for programming and procedures with your library colleagues.

## **Second Session:**

**Educators from Explora** will offer a hands-on opportunity to experiment with sample STEM to Read kits available to public libraries from NMSL and also learn to use Sphero robots. You can ask questions about how to incorporate STEM activities into your library programming and become comfortable with using the kits with your patrons.

## **3 Opportunities to Attend:**
